INTRODUCTION

In the catalogue you can find various Psychological Tests available with PSYCHOMATRIX. PSYCHOMATRIX has comprehensive basket of Standardized Psychological assessment tools both from India & Abroad.

Most of the tests in the catalogue are proprietary items i.e. either published here or abroad, or distributed here by us for their respective foreign publishers. All tests usually contain several components, and are available in complete sets, or as loose supply of individual components (Manual, Answer sheets, Booklets). For many of the items, specimen/sampler sets or starter sets are also available. Some tests are also available in different versions and forms.

Additional items (Test Booklets, Manual, Answer sheets, Profile sheets and Key) may be ordered separately or as a part of the set as specified by you. If you write us after you make a choice of tests which may interest you, we will send you a fuller catalogue description and the current prices.

Procedure to Order:

To order, you are requested to mention the Product Code, Name of the Test and the authors. You can place an order through email or telephone. As usual, most of these items are restricted, available only to the qualified users and have different qualification levels. There may be some of the test that may not have been listed in the catalogue. For any query you can mail us and we will try our level best to help you get the test.

Test User:

Tests need to be used by trained and qualified Professional in the field of Psychology. As Psychological Tests are very need expertise to be used on client. Psychological Test materials are used by hospitals, educational institutes, Psychiatrists, Psychologists, Clinical Psychologists, School psychologists, Neuro-Psychologists, Organizational Psychologists, Health Psychologists, and Forensic Psychologists.

Registration Process:

In order to substantiate that the tests will be used by qualified and trained professional, there is a need for registration where in you will have to fill in an application form given on the last page of the catalogue

PSYCHOMATRIX as a team has various strengths and the most significant strength is that PSYCHOMATRIX follows ethical values and is in a continuous process of sensitizing professionals regarding the use of Psychological Tests.

Deepali Batra is Consultant Clinical Psychologist, the Founder Director of PALS for Children & Adults. She is registered with Rehabilitation Council of India. He has a Multidisciplinary team of experts dealing with Child & Adult Mental Health Problems. She provides internship programs for students and has been regularly conducting workshops & hands on training programs for students & professionals in the field of Psychology . She has persuaded her academics in Clinical Psychology from prestigious Delhi University. Her Clinical Training in form of M.Phil in Medical and Social Psychology is from internationally acknowledged Central Institute of Psychiatry, Ranchi, where her research work in “Life Events “was highly appreciated. She has been awarded best performance in school psychology award for her contribution in the field of school psychology in the year 2014. She has been felicitated with Child & Adolescent Mental Health Award in the year 2018. Her expertise lies in using psychological techniques to deal with various psychological disorders. She has been invited as a resource person at institutes like NIMH, S.C.E.R.T. , various colleges and universities etc. She has done a large number of workshops for principals and teachers of various schools in areas like learning disability, behavioural problems, Risky Behaviours (Suicide attempts), Parenting in Digital Era etc. She has been invited to conduct workshops on Sex Education & Sexuality. She has an experience of more than 20 years in field of Psychology.

Dr. Vijay Pathak has done his M.D. Psychiatry from Central Institute of Psychiatry, Ranchi. He has been invited as a guest speaker at various workshops & training Programs. He is Consultant Psychiatrist with Rajiv Gandhi Cancer Institute, Delhi. He is an academic advisor and a resource person with PSYCHOMATRIX. His main areas of interest are Child & Adolescent Psychiatry and De-addiction. A separate wing of PSYCHOMATRIX is an organization that provides clinical services for Mental Health. The name of the organization is **Psychological-Academic-Learning Services (PALS)** for Children & Adults. The team has an expert Psychiatrist, Clinical Psychologist, Psychologists, Special Educator, Occupational Therapists & a Speech Therapist. Multidisciplinary approach is used for treatment. He has an experience of more than 24 years in field of Psychiatry.

PALS has two major goals one is the community awareness programs through which positive mental health is promoted, early identification through workshops in RWA's, Schools, Colleges, corporates and various other ways. The other goal is providing one to one treatment of various Psychological & Psychiatric Disorders.

This is year PALS has covered more than 10000 students in Delhi – NCR through workshops in various schools & colleges. The main areas that workshops covered were spreading awareness about good touch & bad touch: how children can keep themselves safe. Workshops were also conducted for adolescents on “Adolescents issues & conflicts”. The workshops were highly appreciated by students, parents & teachers.
